Habit 1: Be Proactive is about taking responsibility for your life. You can't keep blaming everything on your parents or grandparents. Proactive people recognize that they are "response-able."

Black History Month is a remembrance of important people and events in the history of the African diaspora. It is celebrated annually in the month of February. The remembrance was originated in 1926 by historian Carter G. Woodson. He chose the second week of February because it marked the birthdays of two Americans who influenced the lives and social condition of African Americans: former President Abraham Lincoln and abolitionist Frederick Douglass.
